AFTERWORK

Navigating Finnish working life together: Tips for mentoring an international talent

In this casual remote afterwork for our **mentors**, you will hear about the experiences and tips of mentoring an international mentee!

Our mentor, Eeva Salonen, will highlight how mentoring can aid an international mentee's integration. Another question is how to help our mentees stay in Finland after graduation and why this is important.

Jochen Faugel shares his experiences as an international talent who has lived in Finland for over 15 years. He has led the Spouse Program of the City of Helsinki about navigating the Finnish working life from a newcomer's point of view.

Who?

Jochen Faugel is a business advisor with extensive experience working for corporates and startups and with international spouses.

Eeva Salonen is an experienced mentor and Chief Development Officer at Helsinki Parish Union.
