MENTEES' AFTERWORK: NAVIGATING CULTURAL DIFFERENCES

A warm welcome to our first event after the summer holidays! The beauty of living abroad is to get to know another culture - yet, it is not always seamless. We have been there, and we hear you! Join this afterwork event in Tampere to connect and exchange on how to navigate in a foreign culture.

To secure your spot for the event, we kindly ask you to sign up by 12 August.

**Thursday 15 August 2024,
17:00-19:00**

Brewery Restaurant Plevna, Tampere
(Itäinenkatu 8, Finlayson area)

This event is organised by the association's group of alumni mentees, whose member, **Mari Pollari**, will guide you through the evening. Be ready to network, learn from others, and share your experiences!
