WEBINAR

Tips for LinkedIn and Job Search

Does your profile on LinkedIn need some polishing or updating? Are you searching for your next job or looking for new career possibilities? Do you want to hear the latest trends in modern recruiting?

Come and join us for a webinar where you will learn about modifying your LinkedIn profile and hear general tips for today's job search! We will also cover some myths about recruiting, like AI in the recruitment process.

The webinar is mainly for our mentees, but mentors are also welcome!

There will be time for audience's questions at the end of the webinar.

Who? The webinar host is Samuli Tala, Senior Talent Acquisition Specialist at Elisa Oyj. He is also our current mentor and former mentee.
